5. [redacted] Talked with Mr. Berman in Senator Birch Bayh's office concerning the Senator's interest in having a briefing on Vietnam. Previously Berman had called George Carver directly at the suggestion of Walt Rostow with the view that Carver would do the briefing. Berman stated the Senator would like to set this at nine o'clock on Tuesday, 19 December. I indicated I would look into the timing aspects and advise.

6. [redacted] Mr. Philip Kelleher, House Armed Services Committee staff, called saying that Representative Leslie Arends was concerned about the Percy incident in Vietnam. Apparently he felt the Agency in some way was involved. I explained the situation to Mr. Kelleher and he was sure he could clear it up with Mr. Arends.
